

Partner Link

Gain efficiencies and accuracy among all of your preferred agency applications and suppliers using Partner Link, one of the optional Homecare Connections™ available to extend your system's capabilities. With Partner Link, you can easily share information from your Homecare Homebase database with vendors, regulatory agencies, physicians and facilities, payroll and more, in a HIPAA-compliant environment. Information flow is so seamless, you eliminate the need for re-entry or time-consuming searches, increasing speed and accuracy and even improving compliance with Medicare, Medicaid and regulatory agencies.

Partner Link interfaces provide easy exchange with:

- ADT (Admission, Discharge & Transfer)
- Hospital Patient Information Systems
- Pharmacy
- Suppliers/Order Entry
- Telehealth and Telephony
- Electronic billing with full support to submit 837 files and retrieve 835 files to Medicare, Medicaid and Commercial Insurance
- General Ledger and Financial Transactions
- Payroll
- Integrated Training Solutions
- Back Office Efficiency Solutions
- Outcomes and Statistical Analyses
- Custom solutions including custom extracts for clinical studies and outcomes
